

WARNING NOTICE

IDEAL MARKETS

The International Financial Services Commission of Belize (“IFSC”) issues warnings about dealing with named persons, whether these are individuals or companies, to alert the public and the financial services sector that, where such person offers international financial services as defined in the Schedule of the International Financial Services Commission Act, Chapter 272 of the Substantive Laws of Belize, Revised Edition 2011 (the “IFSC Act”), from the site listed below, they may be operating in breach of the IFSC Act and other laws of Belize.

It has come to the attention of the IFSC that an entity by the name of **Ideal Markets** under the domain www.idealmarkets.trade/ has cloned the website of **XTB INTERNATIONAL LIMITED** which is a Company duly registered in Belize and licensed by the IFSC to offer Trading in Securities Services in or from within Belize. The clone site has replicated the Company’s content with the purpose of trading in the Company’s goodwill and for other unlawful purposes, including the luring of investors into illicit schemes. Members of the public who transact business with this entity do so at their own risk. It is important to note that Ideal Markets is not affiliated and at no time has had any business relationship with XTB International Limited.

The owners and/or promoters of **Ideal Markets** are therefore directed to cease and desist with immediate effect from engaging in the said unlicensed activities, which constitute an offence under the Laws of Belize.

The IFSC urges investors and the public to exercise extreme caution in relation to their dealing with Ideal Markets.
